This matter arising upon the joint motion of Southwire Company and Alcan Aluminum Corporation (hereinafter referred to collectively as "Smelters"), filed August 24, 1998, for full intervention, and it appearing to the Commission that the Smelters have a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:
